Dear Bubbles,
So yah don't dig a
line, eh? Well, shapely, a
guys gotta keep in practice, yah
know!!!

By the by, woman, I'm
now a sergeant, and you know
what they say about sergeants.

Sorreeee no have
any more pictures of me. Being
a shy, unphotogenic sort of
person, I don't get in many
pictures, hence I have no
mo, no mo!!!

We went on a helluva
big drunk this last weekend,
and baby, it cost a small
fortune, at these Japan prices.

This is just a short note,
because a few days ago I
wrote you a fairly long one,
and really I'm only bragging
in this one about my new
stye. Any how I ain't
talking!!!

I'm am still sent by
that "amber" perfume and
you can park your lipstick
on my Sakai collar any
old time.

A passionate goodnight
to you chick. I'll write
a nice long philosophical
letter the day after tomorrow.
