Dear Jo,
I don't owe you this letter but your
too beautiful not to write to. Any how I
want to impress on you the fact that
Cal won its first two games and tied
the third and shall probably lick the
pants off of Stanford. (What am I saying,
I'm going to Stanford after the war) Well
I'll root for Cal till the day I register
at "the Yahn" Wish I could see the game,
they're always vulgar as hell when the Cal
rooting section gets wound up.

When I get home I'm going to intro-
duce you to the bars in S.F. since you showed
me the formula drinking spaz so don't
marry anyone Marriage sticks can't get drunk
Passion other yours
